### 'ROUND AND ABOUT THE SCHOOL

The deluge of water from the sudden Spring break-up set the pattern for the Term. This area has been doused with rain regularly ever since. The **Cadet Corps** was lucky in having brief breaks in the weather for its **Church Parades** to Aurora and to St. Paul's, Toronto. BUT for **Inspection Day** heavy downpour was continuous so the ceremony took place in the Aurora Arena. The din on the metal roof all but drowned out the sound of voices and even pipes! But the Corps was so well-trained that it carried on in the strange habitat and amid the din as though all were perfectly normal. The turnout of parents and friends was great. Major-General G. Kitching, C.B.E., D.S.O., C.D., inspected. Old Andrean officers of the 48th were represented in the persons of Col. Frank F. McEachran, E.D., ('37), Major John M. Lowndes, ('44), and Major R. L. Read, ('47). The **Cadet Dance** took place on Insection Day (Friday) and leave was granted 'til Sunday evening. The new Rifle Range gave maximum opportunity to produce good shots. The **Rifle Team** in the D.C.R.A. shoot placed well — 1st among Independent Schools, 1st in the Georgian Bay School Area, and 5th in the whole of Canada (549 teams). One of the cadets was selected a member of the Twelve-man Cadet Rifle Team shooting for Canada at Bisley, England, this summer. The Fencing Team (coached by Tibor Bozay) placed 3rd of 24 competitors in the Ontario Open Fencing Championships. Among tournament engagements was a home-and-home with a B.S.S. Team. **Cricket** enthusiasm was maintained in spite of soaking weather during most of the short season. The Firsts lost good matches to T.C.S. and U.C.C. but came through in the final match to beat Ridley, — 80 to 79, in one of the most exciting matches ever! **Track and Field** had a good season. How did we ever get along without the new track and field facilities?! The Junior and Senior **Cross-Country** races were run under ideal conditions with a large field and a goodly number of trained competitors. The **Tennis Courts** have been in constant use. **Rugger** Teams showed up well in a sudden-death schedule of matches for the Central Ontario Area. That pleasant Summer Term relaxation — **Golf** on the Lower Field (Malone) had its usual quota of devotees, but not for several years have we witnessed fly-casting at paper targets on the greensward! The **Senior Play**, "Richard of Bordeaux" (directed by Lloyd MacPherson) was not presented on schedule because the "Queen" had the mumps! But it was performed this Term. The **Junior Play** appeared later. **Variety** Night, an entirely informal, boy-produced show was its usual success with a better than average show of talent. The Kenneth Ketchum Auditorium has proven a great boon — has been in constant use. The **Review** should reach you during the summer. The **Ladies' Guild** brightened the campus again on the occasion of its annual meeting and luncheon. Its quietly effective efforts on behalf of the School provide much that otherwise would

be lacking. This Term it acquired several paintings by Ken Ives, some of which have been hung in the foyer of The Great Hall. **The Ceilidh**, held at the Granite Club, again was a most pleasant get-together of Andreans and friends. Noticeable was the large number of young "marrieds" and "year" groups. Old Andrean pipers received a rousing ovation for their rendition of traditional tunes! **Landscaping** about the new buildings is now completed and the total effect is one of real beauty with promise of more mature beauty to come. In fact, The School's buildings and grounds probably are second to none. **Bob Laidlaw** is well and still resident in Flavelle House. Worthy of note is the fact that **Jack Wright** has completed his 25th year of "all-in" service to the School. Also worthy of note is the fact that **Ken Ives** became the father of a boy not long ago. Several Staff members are moving on to new fields. After sixteen years ('47-'63) of dedicated and inestimable service, **Hugh Warburton** is leaving to join the Staff of Stanstead College in Quebec. **John Allen's** influence ('57-'63) will be missed next year when he will take up a post at the Newmarket High School. Rev. **Lloyd Gesner** ('60-'63) is returning to the Maritimes where he will become Registrar and Dean of Residence at King's University, and a Chaplain to Dalhousie University. **Doug Gardner** ('61-'63) is moving to Hillfield College and **Terry Clifford** ('61-'63) is joining the Staff of Ridley College. In spite of early weather uncertainty ('twere ever thus!) **Prize Day** was held on the Front Quad under perfect conditions and with a very large attendance of parents, O.B.'s, and friends. Prizes were presented to The Lower School by W. L. Lovering, M.B.E., ('27), Member of the Board of Governors; to the Middle School by R. W. Wadds ('38), President of the Old Boys' Council; to the Upper School by J. K. Macdonald ('22), Chairman of the Board; and to winners of Shooting, Cricket, and Special awards by Mrs. G. H. Love, President of the Ladies' Guild. The Address of the day was given by Murray G. Ross, M.A., Ed.D., D.C.L., F.A.S.C., President of York University. C. W. E. Hovey (Head Prefect, '61-'62, now at Trinity College) won the Governor-General's medal for gaining highest standing in the Honour Matriculation Examinations of '62 and was designated Head Boy. This year's Head Prefect, G. S. Griffiths, won two awards of special interest to O.B.'s — the Macdonald Medal, and the Laidlaw Trophy. At this moment, Upper Sixth is writing its final paper of the Honour Matriculation Examinations. Mowers are buzzing about on the Front Quad. The weather is superb. Buildings are already being refurbished in preparation for the Autumn onslaught. The empty shell lies dormant — haunted perhaps by the spirits of Andreans past and present — but the School — which is you and present Andreans — is scattered over the face of the earth. Wherever you are 'round and about "Quit ye . . ."
